Daily Love *Weekly* Planner

*Put your week in His hands
before it begins*

How to plan your week with Him

Planning is not the opposite of faith. When you lay your week before God before it starts, you walk into Monday knowing whose you are and what matters most.

1 Start on Sunday

After worship, write the date beside "Week of" and choose a word for the week. It might come from the sermon or from your morning devotional.

2 Write the Scripture you are holding onto

Pick a verse short enough to still remember by Wednesday, and go back to it whenever the week gets heavy.

3 Fill in each day

Note your appointments and assignments, and leave a little room to write down where you saw God move.

4 Keep your goals few

The right-hand page has room for just a handful of weekly goals. Choose the ones that matter most, then let your to-do list carry the rest.

5 Pray, then check the box

Write your prayer requests as they come. When God answers one, check the box beside it so you remember His faithfulness.

Print as many as you need. This pack has four undated weekly spreads (pages 4 and 5 make one spread). Print that pair as many times as you like and keep your weeks together in a binder or folder.

A WORD FOR YOUR PLANS

*Commit to the Lord whatever
you do, and he will establish
your plans.*
